FOREX TRADING SYSTEM: SECRET STRATEGIES OF FOREX TRADING REVEALED Simple and Easy Strategies for Making Unlimited Profits in Forex Trading provides you with step by step instructions for setting up a simple trading system. This beginner's book is a very quick read, but shows you how to easily design an indicator and provides the reader with a set of entry and exit rules and money management principles. It focuses on teaching you how to consistently earn per trading session, and from there how to adjust your trade size to reach your desired profit level. This book has a series of powerful, easy-to-use trading strategies that anyone can use, regardless of their level of experience, but it is especially useful for beginners. Specific entry and exit techniques are designed to eliminate guesswork in your trading. In this Forex trading system you will learn: The primary tools for technical analysis, the basic components that every successful Forex strategy must have; which trades to avoid and a simple technique to show you which trades just not worth the risk PLUS much more. And, whether you’re a recent college grad or a baby Boomer preparing to retire; a middle manager or business owner; or looking for a reliable second income stream, this book can help you to achieve the financial independence you want and deserve by trading the Forex market, no matter what your life stage, income bracket, or professional standing. This is an excellent primer for traders at the start of their Forex trading career. Foreign exchange impacts us all and particularly those of us investing globally. This book gives a fascinating insight into exactly how the...
